M. A. A. Track Meet This Afternoon

When the first event of the Military Athletic Association's program is started this afternoon, there should be a very large gathering of spectators at the league grounds.

The ball will be set rolling at 1:30 o'clock, when the 50 yards sprint will claim the attention of some of the fastest runners in this Territory. En Sue and Rice, than whom it would be harder to name faster men, will be in different heats, but should get close to competing in the final. McCall, of the Twentieth Infantry, should also get into the final, and although it is hard to give him a chance against En Sue, the race should be a very close one.

Four teams will compete today in all the events, and they will be made up from the Marines, Fifth Cavalry, Twentieth Infantry and N. G. H. The officers of the day will be: Dr. Hand, referee; Colonel Jones, N. G. H.; Major Wadhams, Twentieth Infantry; Captain Ramsey, U. S. M. **Local Tennis Stars
Play Match Today**

This afternoon at 3:30 o'clock on the Beretania tennis courts the much talked of match between Miss Milam Hall and Mrs. Coulter, nee Horner, will take place. The latter player was for a long time champion of these islands and used to play most of her tennis along the Hamakua coast district of the big island.

On only one occasion was Miss Horner beaten, and this was when a member of the famous Van Vleet family of tennis players met and defeated her in a championship match. It must be said, however, that Miss Horner was not in the best of form when she played Miss Van Vleet.

Mrs. Coulter is playing in excellent form now, and has had a lot of real hard practice with many of the man members of the club. The former champion should put up a great game against Miss Hall, although the latter is in the first flight of racquet wielders.

Miss Hall, who at one time played with May Sutton in the national championship doubles and won that much coveted event, is a fine tennis player and has shown what she can do on the courts by easily defeating all comers in the last local championship tournament.

Miss Hall can volley and smash just about as well as any of our local men players, and her service is a hard one to win off. The match between the two ladies should provide as good tennis as has been seen here for years.

Another added attraction this afternoon will be a mixed double exhibition match between the present holders of the championship, Miss Hall and F. E. Steere, and Mrs. Coulter and E. S. Gee. Four players of the caliber of these experts will surely put up a game that will be worth going miles to see. Gee is the holder of both single and double championships of these islands and is a strong player. He and Mrs. Coulter should just about account for the other pair this afternoon.

Although a cable was expected yesterday announcing the result of the Davis cup play in Australia, so far nothing has been heard from the Antipodes. Rain may have interfered with the match, or, for some

reason or another, it may have been postponed. However, a cable may come through this afternoon, and in that case it will be published in another column of the Bulletin.

Both Reilly And Cullen Are Willing

Another promoter is thinking of staging a final go between Reilly and Cullen if he can come to terms with the lightweights before the Makura arrives and Cullen departs for Australia.

Cullen is so anxious to prove that under the straight Queensbury rules he can defeat Reilly that he will risk a good-sized wad of money on the result. In the contest at the Orpheum last Wednesday night Cullen did not get going properly till too late in the game, and even then anyone who remembers the first match with Reilly cannot figure that in a fifteen-round go Cullen could knock Reilly out.

A twenty-round contest would be a different matter, however, and it seems probable that Cullen could give Reilly the coup de grace any time between the fifteenth and last round.

The new would-be promoter does not figure on bringing off the fight at the Orpheum, and considers that a more central location would be better. He does not wish his name to be published at present, as nothing definite has been done in the matter.

Cullen is willing to box Reilly twenty rounds, and besides the purse have a side wager on the result of the go. The champion is determined to leave for Australia on the Makura, but would like to box once more before leaving Honolulu.

Reilly was seen this morning and at once stated that he was willing to box Cullen again and that he would not only cover any wager the other man put up, but would "see" him better.

Jack Scully feels that as there is little chance of getting the Orpheum theater owing to the opera company being there, he cannot figure on offering a guarantee to the boxers. He would, however, manage a fight on a percentage basis, and if the boxers agree to that proposition the contest may come off in a week's time.

A twenty-round go would be an attractive affair, and as both the men would be staking some of their own money on the result a fierce battle should eventuate.

Something definite may be arranged before Monday, and either Scully or the new fight promoter may decide to pull off the match.

SHORT SPORTS.

Much interest is being aroused in the suggested "Big" League-Oahu League baseball game, and the match should, if it comes off, settle once and for all the talk of the superiority of either team.

At the Healan Boat Club tomorrow morning W. H. Biddell, the life saving expert from Australia, will give an exhibition of the art of rescuing and afterwards resuscitating people who have fallen into the harbor. The exhibition will start at 10 o'clock and several individuals who will impersonate drowning persons will be safely conveyed to the landing by the expert.

Although Sam Hop took a walloping on the eve of Thanksgiving, he was able next day to capture a real live turkey which was turned loose during a baseball game that was played between the L. Tung Specials and the Ayau Shoe Company. The bird in the winning team was to take it as a prize, so it made a break for liberty. Al Sam, however, soon grabbed the fowl and, as his nine eventually won the game, everything was O. K.
